

Dear Guest,

Let me extend a personal welcome to the Hampton Inn Daytona Beach Beachfront.

The well being of our Guests and Team Members is our highest priority. We remain diligent in our commitment in providing a safe, hospitable environment for everyone. Given these unprecedented times we have put forth the following procedures to protect Guests and Team Members.

AMENITIES AND SERVICES

During your stay, guestrooms will be serviced in advance of your arrival. We will provide you with extra towels and amenities during your stay. Due to safety protocols our Team Members will only enter your room if you have requested housekeeping service during your stay. Should you need any additional amenities please contact our Front Desk Team. The Fitness Center, Pool, and Hot Tub are all fully operational with enhanced sanitation procedures in place.

FOOD AND BEVERAGE

The Complimentary Hampton Inn breakfast buffet has been modified with Guest safety in mind. The breakfast is offered as a Buffet, we have masks and gloves available and ask that you have these on while getting your breakfast items.

Our Longboards Daytona Beach tiki Bar is open daily from 11:30 am until 9:00 pm. You will find the menu on the main site. Come out and enjoy a drink or dinner. The food, atmosphere and view are spectacular.

ENHANCED CLEANING PROCEDURES

We have taken additional measures, developed in consultation with global and local public health authorities (including the WHO and CDC), to make our cleaning and hygiene protocols more rigorous. We have increased the frequency of cleaning all public areas including lobby, elevators, door handles, public bathrooms, fitness center, and the meeting space. Continued the use of hospital grade disinfectant and have increased the deployment of hand sanitizers. We also ask that you wear a mask in all public indoor spaces. We have masks available at the desk if you need an additional one.

We thank you for your understanding and hope you have a great stay here at The Hampton Inn Daytona Beach. Your happiness is our success!!

Warm regards,

Bob Pierce, General Manager
